

UFO 2026 Gradings.

These gradings may look slightly different to the Standings that are available on Eventor as the course setter and veters have been allocated their bonus points here as per the UFO rules. There will be 3 Long course finals A, B and C and 2 short course finals A and B.

If you did not qualify because you did not complete enough events you can still compete you are just not eligible for a prize. Prizes will not be awarded after the event as in previous years. Prizes will be presented at the Summer Presentation evening at Brickworks Park on 25th March.
