

Newcastle Orienteering Club

Financial Support Policy

Newcastle Orienteering Club endeavours to support and recognise our high achieving club members. It offers monetary support to those orienteers who have been selected by State or National selection panels in the following teams:

- to represent NSW at Australian Schools Orienteering Championships (ASOC) as a full member of the team
- to represent Australia at Junior World Orienteering Championships (JWOC) as a full member of the team
- to represent Australia at World Orienteering Championships (WOC) as a full member of the team
- to represent Australia at Junior World Mountain Bike Orienteering Championships (JWMTBOC) as a full member of the team
- to represent Australia at World Mountain Bike Orienteering Championships (WMTBOC) as a full member of the team.

This representation does not extend to Oceania “teams” or State “teams” at Australian Carnivals, or to Test matches Australia vs New Zealand or to NOL events.

An athlete may be eligible for multiple support payments within a calendar year or in subsequent years.

As of 2025 the monetary support offered is \$300 for NSW ASOC team members and \$750 for WOC, JWOC, WMTBOC or JWMTBOC team members.

Newcastle Orienteering Club Committee reassesses the amounts offered annually in light of the Club’s financial circumstances for the forthcoming financial year.

Newcastle Orienteering Club Committee may authorise monetary support for representation at other events where considered appropriate.
